

B. The 5-Man Diplomacy Game as slightly modified by Fred C. Davis, Jr. (rf04/05)

1. Moscow, Sev, Ukraine, Rumania and all of Turkey are impassable. Finland, Livonia and St. Pete are passable, but St. Pete is not a Supply Center. Warsaw is passable and a neutral SC, i.e., Poland. Black Sea and Aegean are directly connected. (Bulgaria has a Black Sea coast).
2. There are 27 remaining Supply Centers.
3. First player to own 14 Supply Centers at the end of a Fall move is the winner.
