None this issue. Let me know if there's a particular game you'd like me to run. Tony Wilcock has sent me rules for a game called Struggle for London which is similar to Discretion, a game where you develop property. It looks interesting and I may well publish the rules next issue. I've a feeling it may well adapt to postal play but I haven't time to do anything this issue.

Not such a fast turnaround and there's a longer deadline. My best wishes to you all for the Christmas season and do have a happy and prosperous New Year. I'm afraid you may struggle to read the odd page, the printer is playing up, maybe a new cartridge will solve the problem but it doesn't really need changing yet. OK I'm getting this posted then catching up with Christmas things. See you next year.

CHRISTMAS QUIZ (to Mick).....	Friday 23 <sup>rd</sup> January

The Rhymers have struggled this season, so Holy Wanderers must have been expecting an easy passage to the semi-finals. They reckoned without Zippy, who was clearly irritated with the lack of service and so took matters into his own hands with three stunning individual goals. Wanderers recovered, however, through a penalty and Dodds before Craxus scored the winning goal with the last shot of the match.

## Discipline

The following players have acquired DPs so far. Roobarb is suspended for league match 11.

## Top Scorers

It seems like ages since we had a top scorers table, so here it is. As usual, it shows League goals (L), Cup/Bowl goals (C) and total goals (T) for each division. I have included all players with four or more goals.

Division 1				Division 2				Division 3						
		L	C	T		L	C	T		L	C	T		
Miss Everett	CW	4	5	9	Dua	SP	4	3	7	Levitt	SS	5	1	6

Cymoril	HR	1	4	5						Net	AF	3	1	4
Grey	UC	2	2	4						Chance	AF	4	-	4
Amber	UC	-	4	4										
(150 goals in total)				(101 goals in total)				(101 goals in total)						

So, Miss Everett's hatrick in the Bowl has propelled her to top spot so far, two ahead of her nearest rivals Ruby Red and Dua. Siwo have scored the most goals in all competitions (29) but have spread them around 11 players

## Editorial

Another very rushed issue. I'm afraid. I hope to post this on Wednesday 17<sup>th</sup> so you've a good chance of receiving it before Christmas. Some of you may find a card enclosed. I can't manage to send one to all of you so please accept my best wishes for the festive season anyway.

Richard Young has asked for a long deadline so I've given you all an extra couple of weeks. You could use the extra time to have a go at the quiz, you don't need a fantastic fund of general knowledge to do well, a bit of lateral thinking is what you need.

I didn't attend Midcon this year but apparently the turnout wasn't bad between 90 and 100. Kath Collman says the bar service was dire, she had to wait more than an hour to get three coffees. Kath also thinks I was winding you up with the adventures of Steve on holiday but I assure you I wasn't

If any of you bought the film quiz and you want to see the answers let me know and I'll send them to you. I've included answers for anyone who's sent in an entry.

I've always been a fan of Stephen Fry and he's been in two excellent TV programmes recently. QI is purportedly a quiz show but it's more a vehicle for Mr Fry and the contestants to show off their wit, rather like HIGNFY or Buzzcocks. It's great TV though and you do learn some quite interesting facts by watching it.

His second programme is an out-and-out comedy. *Absolute Power* is about a public relations company run by Stephen Fry and John Bird. The chemistry between them works well, all the episodes were watchable and a couple of them were absolutely hilarious. Both

series have now ended but I expect there will be a second series of QI and *Absolute Power* is certain to be repeated. Both are highly recommended.

In the latest issue of Hopscotch, Alan Parr reckons he receives upwards of 150 spam emails every day. He uses a program called *Spam Inspector*, which he says identifies about half the spam but it's apparently far from perfect. I'm really amazed that he gets so many, I only get four or five a day, not that I'm complaining. My business address abbeychandeliers gets about the same number as mine. Ben seems to get around 20 a day but he does seem to be less careful than most about publicising his email address.

Remember the deadline for the zine poll is fast approaching - 31<sup>st</sup> December. I haven't actually voted myself yet so once the zine's been posted I must do that.

It's just over a week to Christmas and I haven't done any shopping yet. On Wednesday I'm going to Durham to collect Ben and we'll be in Leeds Saturday and Sunday. I'm working in Nottingham on Monday so I guess that I'll have to get everything done on Thursday and Friday. I really don't know where the last month has gone.

I do really. For several years we've had in the garage a home gym. It's really a combination of all those weight lifting machines you see at the gym and I think we've used it twice. There are several reasons why we haven't. Too cold, too dusty, can't get near it for junk etc. So, I decided to build a small room within the garage to house the apparatus. Like most projects it has grown and grown but I've just finished it and I'm quite pleased with the results. All that remains for me to do is to reassemble the gym in its new home and then I hope it will be used rather more.

### Christmas Quiz 2003

Replace the asterisks with letters to make six-letter words (one point each)

\*\*\*AAR    \*\*\*LEX    \*\*\*KRA    \*\*\*INX    \*\*\*YNE  
 \*\*\*OLA    \*\*\*MIS    \*\*\*TOO    \*\*\*OLU    \*\*\*ULA

Find a word that goes after the first word and before the second to make a new word or phrase. For example for fish/mix the answer would be cake - fish cake and cake mix and for bat/man the answer would be he - bathe and he-man. (1 point each)

direct/movie    mile/bracket    rally/fire    police/trooper    sugar/box  
 with/camera    day/mechanism    cloud/on    letters/rolls    ham/tie

In each of the following groups there is a connection. You get one point for each individual answer and 2 points for the connection. For instance if the individual clues in a group were:-

Red Indian; Holiday Inn; Sherlock's study; deadly gas; Stephen Arnold; Three little pigs

Then the answer would be Cluedo (2 points) and one point each for identifying (Little) Plum, White (Christmas), Scarlet, Mustard, (Ashley) Peacock, Green (Jelly) Simple isn't it?

- 1) John Gotti; part of a tooth; six male strippers; Salem witch trials; the city of Rome; Tudor rose; Bengal and Siberian; Lucy, Sadie (and two more)
- 1) footballer from Trinidad; prison reformer; little woman; aircraft carrier; pork frankfurter.
- 2) waiting for Godot; obscure literary character; Gabriel (plus 3 more); big teeth; Judy Sheindlin and Martin Shaw; George, Edward and Charles; 7,9,11,13,22
- 4) Chicken Shack; engaged signal; type of bean; Lovin' Spoonful; cluttered with detail; John Birks Gillespie; children's meal; type of bead

### 21 Division 3

*Levitt*                      **Sitcom Select XI** 10 1 1 10 **Douglas Town**                      *Moore*  
 Sitcom's strength this season has been their unbeaten home record and they managed another draw here. Moore became the first player to score against Sitcom at home this season.

**Old Uffingtonians** 2 0 5 20 **Stanmore United** *Alleyne, Willian, Wolfe 3*  
 Stanmore won this match thanks to a flurry of goals in the last ten minutes of the first half. Alleyne, Willian and Wolfe (twice) left Old Uffingtonians completely out of the match. In the second half, Wolfe completed his hattrick while the rest of Stanmore relaxed.

*Craxus, Dodds*                      **Holy Wanderers** 16 2 0 0 **Nursery Rhymers**  
 Wanderers make up for their defeat last time with an easy win over the struggling Rhymers. They must be worried, however, about the gap between the top three and the rest.

*May*                      **Halesowen Town** 12 1 0 11 **All in the Family**  
 This has turned into a very good session for Halesowen, as they beat both first and third in the division. All in the Family certainly had their chances to equalise, but couldn't get the ball in the back of the net. At least they cling on to top spot thanks to their superior goal difference.

**Cafe de Nouvion** 6 0 1 16 **Battle Town**                      *Blore*  
 Battle Town's first away goal and first away win propel them away from the wrong end of division 3 into the midtable battle. After a narrow victory last match, Café will be disappointed to lose at home.

### Cup Round 3

*Amber*                      **New United Colours** 3 1 1 4 **Siwo Prisoners**                      *Empat*  
 This match saw the two strongest sides of the season matching up and cancelling each other out. Amber and Empat each scored with their side's first opportunity; after that, it was stalemate and a replay at Siwo next time.

**Ceserea Juniors** 8 0 1 12 **Southampton**                      *Davies*  
 Both teams are midtable, but Ceserea are in division two and Southampton are in division one. The difference was evident, as Southampton made light of being away from home to win more easily than the scoreline suggests.

*Clock*                      **All in the Family** 9 1 0 0 **Gridiron Wanderers**  
 Gridiron's away form in the league has not been great, but even so, the ease of the third division side's victory was a surprise. Wanderers never really got started, while Clock's third cup goal this season gave his team a semi-final place.

**Nessus Dorma** 4 0 0 6 **Hartshill Rovers**  
 The quarter-finals have hardly been full of goalmouth action, and this was no exception. Hartshill must hope to triumph at home. The first division sides have not had a good round so far - one through, one out and two held to goalless draws by lower division opposition.

### Bowl Round 2

**Sitcom Select XI** 9 0 0 9 **Grandes Fromages**  
 The managers selected totally different strategies, but ended up with a very even match. Both sides produced nine chances, missed five of them and saw the remaining four blocked or saved. Sitcom's best chance of going through may have gone, but they could still produce an upset in the final.

*Everett 3, Venables,*                      **Chalet School Wdrs** 19 6 1 6 **Plastic Trees**                      *Dazzle*  
*Tsathoggua,*  
*Jo Bettany*  
 Chalet School may be struggling at the bottom of division one, but this performance suggests that they may not be for much longer. Miss Everett took advantage of acres of space to score three, as Plastic Trees unfortunately selected precisely the wrong tactics for this match.

**Oldtown United** 9 0 0 11 **West Bromwich Albion**  
 The only other first division side in the Bowl had a harder match and made a bit of a meal of it. Most of the credit for this must go to Oldtown, who looked very enterprising and threatened to escape with the win. As it is, another replay is needed to determine the result.

**Stanmore United** 3 **20** 1 2 **Halesowen Town** *Crisp*

There was nothing between third-placed Stanmore and second-placed Halesowen here, and Stanmore must have hoped to maintain their perfect home record. Crisp had other ideas and gave Halesowen a barely-deserved victory to keep up the pressure on All in the Family.

ROOBARB BOOKED **Nursery Rhymers** 0 0 1 6 **Cafe de Nouvion** *Ginola*  
Café need every point they can get, so an away win against Nursery Rhymers was just what the doctor ordered. Roobarb showed his character with an unnecessary booking which earns him a suspension.

*Chance, Clock* **All in the Family** 16 2 0 0 **Battle Town**  
The Family's superlative home form continues, as they produce their fifth straight home win, all without conceding a goal. Battle Town struggled to get out of their own half and were essentially outclassed; they are yet to score a goal on their travels.

## League Week 9

### Division 1

**Hartshill Rovers** 20 0 0 5 **Gridiron Wanderers**

Gridiron force a slightly surprising draw against the former league leaders, who must be worried that the Colours and West Brom will build up a lead at their expense.

*Azure, White, Scarlet, Ruby Red* **New United Colours** 15 4 0 6 **Nearly Famous**

The Colours produced a stunningly effective home display against their old rivals, leaving Nearly Famous with no answers at all. Azure became the eighth Colours player to score in the league this season.

**Chalet School Wdrs** 21 0 3 31 **Southampton** *Keegan, Pahars, Phillips*  
PAHARS & PHILLIPS BOOKED

Southampton's second win of the session was the result of very muscular forward play, as Keegan, Pahars and Phillips shovled the poor girls of the Chalet School all over the place. The referee produced some belated punishment, but the shell-shocked girls couldn't make their possession count.

**New World Order** 5 0 1 6 **Roundhead Warriors** *Cromwell*

A slightly fortunate win for Roundhead gives them their first away win and pulls the Warriors ahead of New World Order in the table. Division 1 is so tight that two defeats in a session can be disastrous – can New World turn things around next session.

*Nolita* **Rust Academical** 5 1 1 4 **West Bromwich Albion** *Sage Derby (pen)*  
West Brom again came very close to losing, after Nolita gave Rust the lead early on, but Sage Derby took advantage of a penalty decision to bring Albion level again.

### Division 2

**Young Chelsea BC** 7 0 1 3 **Plastic Trees** *Razzle*

Plastic Trees win again, as their great revival continues. This time it was Razzle with the decisive goal, rather against the run of play, which left Young Chelsea struggling near the bottom of the division.

**Ceserea Juniors** 8 0 0 2 **Grandes Fromages**

This is becoming a worrying trend for Ceserea – another goalless draw at home! So far, this trend has only reduced their chances of promotion, but the midtable teams are getting closer and closer to eighth place now.

**KV Horde** 3 0 1 6 **Oldtown United** *Torvals*

When you are struggling, all the luck seems to go against you. KV certainly did enough to deserve a draw here, but Torvals made sure that Oldtown's promotion challenge was maintained with another win.

*Milner* **Gothic United** 9 1 1 7 **Gamblers United** *Protector*  
Gamblers can feel promotion slipping away here, while Gothic can feel the stirrings of a relegation battle. This draw helped neither of them although, in an even game, neither manager can really complain about the result.

**Nessun Dorma** 6 0 0 12 **Siwo Prisoners**

Nessun will probably feel quite happy with a draw against the divisional leaders, while Siwo may regret that they didn't push harder for the win. However, Nessun have slipped from fourth to seventh and may be looking nervously over their collective shoulders now.

## League Week 9

19

### Division 1

*Ruby Red* **New United Colours** 7 1 0 3 **Hartshill Rovers**  
Second hosts third in the most important match of the session, and the Colours make the most of home advantage to grab a narrow victory and go top. This was Rovers first defeat of the season, and only the second time that they have conceded a goal.

**Gridiron Wanderers** 15 0 0 13 **Chalet School Wdrs** VENABLES BOOKED  
In the maelstrom that is the bottom two-thirds of division 1, an away point is well worth having. Chalet School will therefore be the happier of the two teams, but both managers will be unimpressed that their teams failed to score from a total of 28 shots.

*Pound 2* **Nearly Famous** 23 2 1 7 **New World Order** Crack  
Of course, a win is even more welcome. Nearly Famous threw off their recent run of bad luck with a change in tactics which was too much for New World Order. Pound is one of many home players who will have been disappointed with their recent form, but he will hope that his two goals are a sign of things to come.

*Le Tissier* **Southampton** 6 1 0 4 **Rust Academical** SVENSSON BOOKED  
Rust have a perfectly hopeless record away from home - five defeats in five matches - and so they will not have been surprised at this result. A generally dull match, helped by a very lenient referee, suddenly sprung to life in the last ten minutes with a sublime goal from Le Tissier and a stupid foul from Svensson.

*Theta* **Roundhead Warriors** 8 1 2 3 **West Bromwich Albion** Yeats, St John  
Roundhead briefly threatened to break the hegemony of the top three by scoring quickly and restricting West Brom to only three shots. Unfortunately, Yeats and St John only needed two of them to take Albion to second place.

### Division 2

**Ceserea Juniors** 7 0 0 1 **Young Chelsea BC**  
Ceserea easily controlled Young Chelsea, but had to settle for their fourth goalless home draw. Their home supporters have only seen one goal in five matches this season and must be getting somewhat frustrated.

*Brolly, Foster* **Plastic Trees** 11 2 1 3 **KV Horde** Tex Celle  
Plastic Trees make in five points from three matches as they continue to pull away from the relegation area. Brolly opened the scoring, but Tex Celle scored a surprising equaliser almost immediately, meaning that the home side were very grateful for Foster's second goal of the season.

*Wensleydale* **Grandes Fromages** 7 1 0 3 **Gothic United**  
There was only a point between these two teams at the start of match, and it turned out to be a tight encounter. Grandes Fromages always had a little more, but failed to trouble the keeper with their first six shots before Wensleydale finally managed a shot on target.

*Pennocrucium* **Oldtown United** 11 1 0 5 **Nessun Dorma**  
After two fine draw against the top two last session, Oldtown were determined to take advantage of Gamblers and Siwo playing each other. Nessun, in fourth, looked good but home support was decisive.

**Gamblers United** 7 0 1 14 **Siwo Prisoners** Dua  
The top two play each other finally. Both managers put out similar sides, but Siwo were stronger and Dua crept into the penalty area to score the decisive goal, allowing Siwo to open up a three point advantage over Oldtown and dropping Gamblers to third place.

### Division 3

*Rickerty (pen)* **Old Uffingtonians** 2 1 0 8 **Sitcom Select XI** CASSANDRA & BENTON BOOKED  
Sitcom were clearly the stronger team and deserved at least a draw, but the referee was very strict. As well as Rickerty's penalty, Old Uffingtonians missed two freekicks. This was not a good result for Sitcom, who are poised just outside the promotion spots.

*Secret Squirrel 2, Caine* **Douglas Town** 13 3 1 11 **Holy Wanderers** Craxus  
In a match between two equal sides, Secret Squirrel started very quickly and scored twice before the Wanderers had really started playing. Caine soon added a third, so that Craxus' late goal was only a consolation effort.

# ON THE BALL

is *Bloodstock's* United league, and is brought to you by Stephen Othen.

My address is:

17 Castle Green, Westbrook, Warrington WA5 7XB (tel 01925 710802)

I also accept orders by email - SMOthen@aol.com

The next deadline will be the externals deadline, as on the back page of the main zine.

## Business

I began writing this editorial only two days after the deadline, which I am sure is a record and caught a few people off guard with late orders. In an ideal world, I run the matches during the weekend after the deadline and occasionally this happens! Anyway, eventually we had a full set of orders, while Roundhead remain unmanaged. However, David Anderson (HW) has found some more time and so will not be leaving us, which is great.

Can I just remind everybody to check whether they are playing at home or away. Some people got their matches the wrong way round this time. Otherwise, there were *stunningly few* rules breaches this time.

ND You already have an unqualified schoolboy, called Wells, who has played one match as a MF. I have assumed that you meant to play him, rather than your new schoolboy, since you can only have one unqualified schoolboy at a time.

## Non-league Sales

DT sell Peter Perfect for £320k

HT sell Reed for £160k

KV sell Thort for £5k

NF sell Mice for £120k

NR sell Wadbeck for £60k

OT sell Asimov for £100k

PT sell O'Neill for £120k

RA sell Cleto for £120k

SS sell Homer for £160k (unlikely to be any interest in the auction)

SU sell Marshman for £120k

UC sell Black for £240k

## Auction

Despite limited interest in some players, Chalet School in particular have picked up some useful players by spending all their money!

46	MF/FW II 10 (£400k)	Bridge of ST	to CW	for £480k	(1 other bid)
47	DF App 4 (£320k)	Longlegs	to AF	for £569k	(4 other bids)
48	MF App 4 (£320k)	Nyarlatotep	to CW	for £512k	(3 other bids)
49	FW App 4 (£320k)	Dobie	to WB	for £407k	(2 other bids)
50	GK/SW III 10 (£400k)	David Westgate	to OU	for £597k	(2 other bids)
51	MF II 8 (£320k)	Canaloni	to CJ	for £702k	(8 other bids)
52	FW II 8 (£320k)	Pink	to UC	for £603k	(6 other bids)
53	DF II 8 (£320k)	Pressup	to NF	for £499k	(5 other bids)
54	DF/MF II 13 (£520k)	Necronomicon	to CW	for £1224k	(9 other bids)

Items 51, 52 and 53 can be coached five times and do not cost double to coach over level 10. Both advantages apply this season only. (To answer a question, this means that they can reach level 13 this season by coaching in every remaining session plus the close season, before aging.)

Bids (and names) invited for the following

55	DF III 6 (£120k)	Miss Wilson of CW	56	GK I 10 (£1200k)
57	DF I 9 (£540k)		58	FW I 9 (£540k)
59	MF I 9 (£540k)		60	UT II 13 (£520k)
61	DF/MF IV 11 (£110k)		62	MF/FW IV 11 (£110k)
63	DF/FW IV 11 (£110k)			

Item 60 cannot be coached this season, as he has already been coached three times. He has a paranoia about travel and so will only play in home matches (not away, and not at neutral venues)

Well, Jimmy White actually out-performed Paul Hunter so Peter Hawkins ended up winning easily. Of course, you could all have chosen Neill, Henry, Williams, Ferrero, Henin-Hardenne, Raikkonen, Singh, Fallon, Trscothwck and Silverwood who would have scored you 791 points.

Not much has changed since the last issue. Clapham has gone backwards, Cole has been the most improved defender. The best value Striker is now Saha, he's only a couple of points behind Henry. Ben still has a two point lead, this time over Carl.
