

DIB DIB DIB

Issue 87 - Editor: Tom Tweedy

EDITORIAL: I hate this, but this is the last version of *Dib Dib Dib* for a while. Due to excessive work [of sorts] I just won't get the time to start up more games – sorry everyone. Now that the 'Tornado' game has finished I thought it would be as good a time as any anyway.

I have to admit, although you're a sorry bunch, you've been good players and subscribers. Thanks for sticking with me this long. I still don't know why you did – just for a couple of pages. It was appreciated.

If I owe anyone any money, could you let me know how much [no need – I don't owe you a hundred quid! ☺] I still might be able to come back to it later on, but by that time I think you all might have lost interest by then. One of the main reasons is because I've been putting a couple of web sites up on the web [a job forced on me] – the Dalmatian club site, Canaan Dog Club. I even put up a small Diplomacy site for a particular experiment [another story].

Well these are part of my excuses – once again, I'm sorry if I've put anyone out.
