DEADLINE

Tuesday December 6th 1983. 11pm and no later.

Next issue will be carrying 4 game-end reports, so I'd be very grateful if players in those games could send in their orders and statements as early as possible. Thanks in anticipation.

Assuming next issue goes out on time it should just miss the Christmas rush. As usual there will be a long deadline over Christmas (probably 5 weeks).

RETREATS

Russian A(War) disbands, no retreat possible.

EYRIE Now that Germany has reached War, he can defend it next season with units in Liv, Pru & Sil, against any attack. Similarly, he can hold all his remaining centres. So, on the assumption that Graham won't be NMR'ing or make any uncharacteristic errors, he will win next season. Therefore, can I ask you to send your game-end statements along with your orders for next season and we'll wrap the game up.

PRESS

Austria-England You know something? I used to think that you played like a Wally but after last season's orders I've changed my mind. I now know that you play like a Wally. If you'd gone along with my orders not only would Russia still own Lpl but NTH would still be vacant. It now goes without saying that Bul must fall (at the minimum) so I'll have to concede to a strong 2nd. I suppose I could use this game as an example of when it is justified to play for strong 2nd.

The inaugural Loughborough Hobbymeet appeared to be fairly successful and the next one is scheduled for Wednesday November 23rd. The venue is the Darley Mow in Market Street, just off Loughborough Market Place.

Future meets are planned for the 4th Wednesday of every month (except December) and the organiser to contact for any further details is Derek Caws, Telford Hall, Ashby Rd, Loughborough, Leics LE11 3UA.
