

Well looks as if I'm lumbered with a temperamental typewriter and an already long over due issue of "thingy". Despite these obstacles, and my inability to type and spell I will plough on regardless.

Without more to do on with the games.

And not a murmur came from Middle Earth. But wait what is this I hear.....

UMBAR

We will drive the evil powers of Mordor from Middle Earth and then the newly formed tyrant in Rohan. Victory will be OURS...

There are still problems over "L" game Dave and Andrew have still not collected together all the orders. For the time being I'll push on with "K" and hope that the orders will turn up in the next few days.

JOKE This man walks into a pub where his friends are stood at the bar. He walks up to them and says "Listen lads I've got this great Irish joke."
 At that moment a little Irishman stands up, with his glass of Guinness in his hand and says "I'm Irish."
 "O.K." said the first bloke, "I'll tell it slowly."
