Press: Russia (Gvmt)-Big Daddy Mike: You're doing well,
but not too far east, huh?

Bruce-Bob: Sorry our communications ground to a halt,
I still think it's a pity we fought, but once
I'd regained the initiative, I didn't dare stop.

GM: I'm sorry to see Bob go, he fought to the end, the only part I
don't like is that Austria, in anarchy, still has units left.
unfair isn't it?
